A Turbulent Priest Event

This is the latest play written by the award-
winning sitcom writer James Cary and follows
the extraordinary story of Thomas Becket and
King Henry II, their bromance, bust-up and
betrayals. The show is about the place of the
Church in our society. Does the State have final
say over what's right and wrong? Who rules?
Should the Church make a stand and speak
out? The show is light, accessible and funny in
tone, with lots of visual humour and jokes, but it
does not shy away from the specifics

Bristol Men's Convention

living for Christ. Craig Baker is gathering a
